For contractors hauling asbestos waste, please ensure that:

- All asbestos containing materials are double bagged and labelled in 6mil poly asbestos bags and are gooseneck sealed with duct tape.
- The proper placarding is present on vehicles.
- Load is tarped/covered securely.

The Drumheller and District Regional Landfill requires 48 hours advanced notice, time for delivery and burial will be determined by the Drumheller and District Regional Landfill Manager or designate. The DDSWMA retains the right to cancel an asbestos burial due to weather conditions i.e.: rain, high winds etc. If an asbestos disposal request has been cancelled, another time and/or date will be rescheduled.
